

**TITLE 14. Fish and Game Commission
Notice of Proposed Changes in Regulations**

NOTICE IS HEREBY GIVEN that the Fish and Game Commission (Commission), pursuant to the authority vested by sections 202, 355 and 3000 of the Fish and Game Code and to implement, interpret or make specific sections 202, 355, 356 and 3000 of said Code, proposes to amend Section 506, Title 14, California Code of Regulations, relating to shooting hours for migratory game birds.

Informative Digest/Policy Statement Overview

Current regulations in Section 506, Title 14, California Code of Regulations (CCR), provide shooting hours for migratory game birds. These shooting hours are from one-half before sunrise to sunset throughout the State except in areas open to hunting on, over or adjacent to the waters of Morro Bay, San Luis Obispo County. At Morro Bay, shooting hours are from 8:00 a.m. to sunset. The later start time results in less-than-optimum hunting conditions for those who hunt on Morro Bay because most migratory game birds are most active in the time period near sunrise. This exception for Morro Bay was enacted due to concerns of users of the State Park campground regarding the sounds from shotguns early in the morning. In 1983, the hunting boundary area was changed and hunting no longer occurs adjacent to this campground; therefore this exception is no longer necessary. The Commission is proposing to amend the shooting hours for Morro Bay to begin either at 7:00 a.m. or one-half hour before sunrise.

NOTICE IS ALSO GIVEN that any person interested may present statements, orally or in writing, relevant to this action at a hearing to be held in the Board of Supervisors Chambers, 1050 Monterey Street, 2nd Floor, San Luis Obispo, California on Friday, August 19, 2005, at 8:30 a.m., or as soon thereafter as the matter may be heard. It is requested, but not required, that written comments be submitted on or before August 12, 2005, at the address given below, or by fax at (916) 653-5040, or by e-mail to FGC@dfg.ca.gov. Written comments mailed, faxed or e-mailed to the Commission office, must be received before 5:00 p.m. on August 16, 2005. All comments must be received no later than August 19, 2005, at the hearing in San Luis Obispo, CA. All written comments must include the true name and mailing address of the commentor.

Availability of Modified Text

If the regulations adopted by the Commission differ from but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Circumstances beyond the control of the Commission (e.g., timing of Federal regulation adoption, timing of resource data collection, timelines do not allow, etc.) or changes made to be responsive to public recommendation and comments during the regulatory process may preclude full compliance with the 15-day comment period, and the Commission will exercise its powers under Section 202 of the Fish and Game Code. Regulations adopted pursuant to this section are not subject to the time periods for adoption, amendment or repeal of regulations prescribed in Sections 11343.4, 11346.4 and 11346.8 of the Government Code. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency representative named herein.

If the regulatory proposal is adopted, the final statement of reasons may be obtained from the address above when it has been received from the agency program staff.
